MOKE FAQs

Where can I drive?

Stick to roads 35 mph or less in the blue zones on the map.

Where can't I go?

Avoid highways, bridges, beaches, and all red roads on the map.

Can I drive on the beach?

Nope—no sand driving or parking. Use paved public lots.

How far can I go?

About 40 miles on a full charge. Keep an eye on your range!

How many people can ride?

Seats 4 max, all with seat belts.

Can I drive at night?

Yes—Mokes have lights. Just be safe and watch the return time.

Who can drive?

Drivers must be 21 years old with a valid U.S. license.

What if I need help?

Call us! The number's under our logo above — we're here for you.
